We are a family owned business since 1985. We take great pride in our workmanship and guarantee all our work. We make OAK-D and Swing-D Handles. D's are glued and nailed with brass brads after being shaped and dried on frames. We also make notched swings, Nantucket handles and bases. If you do not see the size handle you require, please call. We make any size D or Swing handle that you need. We recycle boxes, paper, and plastic bags when available to help keep prices as they were when we started our business. But due to the increasing cost of supplies we feel we need to change our discount policy
